For information on the documentation required for an SVOG application, see the [Application Checklist](#). For answers to common questions and definitions, see the [SVOG Frequently Asked Questions \(SVOG FAQ\)](#). Please refer to and carefully review the SVOG FAQs for guidance as you complete the SVOG application (SBA Form 3515).

### 1.1 Background

#### 1.2.1 Who is the Shuttered Venue Operators Grant for?

Shuttered Venue Operators Grant is for:

- Live venue operators or promoters
- Theatrical producers
- Live performing arts organization operators
- Museum operators
- Motion picture theater operators
- Talent representatives

#### 1.2.2 DUNS Registration

Applicant must obtain a Data Universal Number System (DUNS) Number to apply for SVOG funding.

A **DUNS number** is a unique nine-character number used to identify your organization. The federal government uses the DUNS number to track federal money allocation.

- (1) Before Registering for a DUNS Number
  - Check if your organization already has a DUNS number. Most large organizations, libraries, colleges, and research universities already have a DUNS number. You should contact your grant administrator, financial department, chief financial officer, or authorizing official to identify your organization's DUNS number.
- (2) If your organization does not yet have a DUNS number, or no one knows it, visit the [Dun & Bradstreet \(D&B\) website](#) or call 1-866-705-5711 to register or search for a DUNS number.
- (3) Registering for a DUNS number is free of charge, so if you encounter any organizations or websites soliciting a fee or charge to acquire a DUNS number it is likely a scam or fraudulent.

- (4) You will need all the information listed below to obtain a DUNS number:
- Name of organization
  - Organization address
  - Name of the chief executive officer (CEO) or organization owner
  - Legal structure of the organization (e.g., corporation, partnership, proprietorship)
  - Year the organization started
  - Primary type of business

- (5) Allow up to two business days to obtain a DUNS number.

### 1.2.3 SAM.gov Registration

Applicant must register with the System for Award Management (SAM) to apply for federal grants.

**SAM** is a web-based, government-wide application that collects, validates, stores, and disseminates business information about the federal government's trading partners in support of the contract awards, grants, and electronic payment processes.

- (1) Before Registering with SAM
- Use the [SAM Status Tracker](#) to check your organization's registration status with SAM. You may also contact your grant administrator, financial department, chief financial officer, or authorizing official to identify whether your organization has already registered with SAM. If your organization is already registered, take note of who is listed as the E-Business Point of Contact (EBiz POC).
  - Check out any of the following resources provided by the General Services Administration (GSA) on [SAM.gov](#):
    - [System for Award Management User Guide](#)
    - [Federal Support Desk](#)
  - If your organization does not have an EIN, request and obtain an EIN from the IRS.
- (2) To register with SAM, go to the [SAM website](#) with the following information:
- [DUNS number](#)
  - [Taxpayer Identification Number \(TIN\) or Employment Identification Number \(EIN\)](#)
  - A [notarized letter](#) stating you are the authorized entity
  - You must designate an EBiz POC
- (3) Your organization must first have an EIN. If your organization does not have an EIN, you should allow an additional [5 weeks to request and obtain an EIN from the IRS](#).
